

# ICQMT 2022

## CALL FOR PAPERS

International Conference on Quantum Materials and Technologies

16 - 22 October 2022

Venue: La Blanche Island Bodrum Milas-Bodrum, Muğla/TURKEY

### MAINSTREAMS

**Mainstream A** : Superconductivity and Superconducting Materials

**Mainstream B** : Correlated Electronic Physics and Materials

**Mainstream C** : Different Types of Qubits

**Mainstream D** : Topological Quantum Physics and Materials

**Mainstream E** : Other Correlated Systems

**Mainstream F** : Quantum Phenomena in Advanced Energy Materials

**Mainstream G** : Condensed Matter and Materials Science Issues in  
Advanced Quantum Technologies

### DATES & DEADLINES

Abstract Submission Open	04 APRIL 2022
Abstract Submission Deadline	24 JUNE 2022
Online Registration Open	07 FEB. 2022
Online Hotel Reservation Open	21 APRIL 2022
Early Registration Deadline	12 AGUST 2022
Online Registration Deadline	16 SEPT. 2022
Conference Dates	16 to 22 OCT. 2022

Dear Distinguished Colleagues,

On behalf of the Organizing and Program Committees, we are very pleased to invite you cordially to participate in the International Conference on Quantum Materials and Technologies – ICQMT2022 to be held in Milas-Bodrum between 16th and 22nd October 2022.

Members of the international scientific and engineering communities interested in recent developments in quantum materials and technologies are all welcome to attend the ICQMT2022 and contribute to its technical sessions. ICQMT2022 provides a fruitful platform with a driving force for solid-state physicists, chemists, material scientists, engineers, computer scientists, technologists, decision-makers, and other professionals in the related fields of quantum materials and technologies. The conference scope consists of 7 mainstreams as thematic topics of interest. The expertise of best-established scientists and professionals from all around the world has been put together in preparation for a strong scientific program. Many distinguished participants from all over the world will present their latest and unpublished research findings. An associated exhibition will also be held for the presentation of innovative products and research, to promote exchanges of high-tech experiences between industry and academia. ICQMT is expected to attract around 1000 participants all around the globe with plenary, half-plenary, keynote, invited, contributed oral and poster presentations together with unique networking opportunities.

We look forward to welcoming you all to Milas-Bodrum in the most pleasant autumn.  
Yours faithfully,

Prof. Dr. Ali Gencer  
ICQMT2022 Conference Director  
On behalf of Organizing and Program Committees

Submit your abstract by 24 June 2022
